

## **CAMPAIGN TAG: BREAKING BARRIERS, BUILDING FUTURES**

Welcome to the Chrysalis Spectrum Foundation's crowdfunding campaign, where we are dedicated to transforming the lives of young and middle-aged adults with disabilities. Our mission is simple yet powerful: to empower these individuals with the skills and resources they need to not just survive but thrive in the workplace.

Our journey began in 2019, inspired by the vision of Dr. Alisa and Donald Elliot. They recognized a pressing need for support programs that transcend the bounds of personal care and instead focus on cultivating a work-life balance for individuals with disabilities. Since then, we've worked tirelessly to provide invaluable tools and resources, enabling these individuals to reach their career aspirations and live independently.

### **INTRODUCING THE CHRYSALIS SPECTRUM ADMINISTRATIVE WORK INITIATIVE:**

Our flagship program designed to impart administrative and office job skills to young and middle-aged adults with disabilities. We firmly believe that everyone deserves the opportunity to work in a setting that aligns with their preferences, and we're committed to making businesses more inclusive in their hiring practices.

### **OUR PROGRAM CENTERS AROUND THE FOLLOWING KEY AREAS:**

1. **Skills Development:** We teach essential administrative job skills, including data entry, Google Drive proficiency, filing, email correspondence, research, and outreach.
2. **Work Transportation Assistance:** We provide work transportation vouchers to ensure that individuals can easily commute to and from their workplaces.

3. **Inclusive Business Partnerships:** We collaborate with businesses to create work environments that are welcoming and supportive for people with disabilities.

The impact we've made on the lives of individuals with disabilities has been nothing short of transformative. But our mission is far from complete. With your support, we can broaden our reach and touch the lives of even more people.

Our initiatives extend beyond the Administrative Work Initiative and encompass resource fairs, workshops, and consulting services. **These components are integral to our holistic approach:**

- **Resource Fairs:** Designed to educate families and individuals with disabilities about the abundance of resources available in their local communities.
- **Workshops:** Offering valuable training and skills development opportunities to enhance the employability of our participants.
- **Consulting Services:** Guiding businesses in creating more inclusive work environments, fostering a diverse and empowering workplace culture.

At Chrysalis Spectrum Foundation, we firmly believe that everyone deserves the chance to live independently and achieve their career goals, regardless of their abilities. With your support, we can turn this belief into a reality for countless individuals with disabilities.

Join us in our mission to forge a more inclusive and supportive community for these remarkable individuals. Your contribution will not only sustain our efforts but also enable us to make an enduring positive impact on the lives of many more people.

Thank you for considering supporting the Chrysalis Spectrum Foundation.  
Together, we have the power to make a profound and lasting difference!
